Hi Lorena!

Agency Suggestions for Brand/Website Refresh & Logo Design:

First steps: determine exact needs (example: new Logo, new website, branding slogan, collateral, brochures...etc).

Next steps: schedule agency consultation and get quotes once scope of work is outlined.

Here's a few I recommend depending on budget:

Eat.Work.Sleep.

Location: El Segundo, CA
Clients have included: Kia & Mattel
<https://www.eatsleepwork.com/>
Budget: \$2500*

David & Goliath

Location: El Segundo, CA
Clients have included: California Lottery, KIA
<http://www.dng.com/>
Budget: \$3500+*

Isadora Digital Agency

Location: Manhattan Beach, CA

(Services include entire web eco-systems)
Budget: \$2k-\$5k*

Six Degrees LA

Location: Miracle Mile (LA)
(Most experience in Restaurant/Hospitality but have done other brands). They have a very fun and fresh approach. I think they would be up for the challenge!
